Dear Valued Supporter,

Saints Peter & Paul School's Athletic Association is hosting its 3rd annual Bull & Oyster Roast. Our 2025 Bull & Oyster Roast is a benefit fundraiser for the only Pre-K through 12th grade Catholic School on Maryland's Eastern Shore. Our students are given a solid foundation rooted in exceptional academics & athletics with an emphasis in Christian beliefs and values in the classroom, on the fields, and with one another. We are excited about this year's event as it is our annual and largest fundraiser for our student athletes. You have been such a great supporter of our organization for several years and we wanted to reach out for your support again this year! This year's event is to help continue to re-build and grow relationships in the community and continue to build our athletic program for current and future SABRES!!

Last year we raised \$30,270.00 and we were able to purchase the following for our student athletes as well as support our Athletic Department Budget.

- Funds used to help complete the outdoor sound system for the high school fields to be used for Field Hockey, Soccer, Tennis, Cross Country, and Men's and Women's Lacrosse Teams
- All supplies needed to complete the Sabres Concession Stand to be fully functional in Spring 2025
- New padded chairs for the gymnasium to be used for Volleyball and Basketball teams and visitors
- New Uniforms for the Middle School Field Hockey team
- Feeding our coaches at their annual coach's pre-season meeting starting this spring
- Securing a relationship with Coca-Cola to purchase our beverage products through them

This year's 2025 Sabres Athletic Association Bull & Oyster Roast Fundraiser will take place on Saturday, March 22nd, 2025, at the Trident Aircraft Hangar in Easton, MD.

As a 501 (C) 3 organization (**53-0196617, IRS, Local 52-0743362**), it takes a tremendous amount of time, money, and effort to successfully operate so many different facets of our school. And we cannot do it alone! We hope to continue to raise funds to help keep tuition affordable and provide fundraising support to help grow and support our school's outstanding athletic programs.
