

SAINTS PETER AND PAUL SCHOOL

Athletic Department

Athletic Transportation Waiver

It is the policy of Saints Peter and Paul School and its Athletic Department that no student-athlete may transport themselves, or anyone else, to an off campus athletic contest or practice as long as the school is providing transportation. In the event that a student-athlete transports themselves, and/or others, to an off campus athletic contest or practice in violation of the above policy, the driver or any passengers who are members of the team will be ineligible to participate. In the event that the student-athlete is to be picked up by a parent from an off campus athletic contest or practice in which transportation has been provided, a note must be turned in to the Director of Athletics a minimum of 24 hours prior to the event. In the event that a student-athlete is to be picked up by someone other than a parent, the person picking the student-athlete up must be an immediate member of the family and at least 21 years of age, or an adult that is listed on the parental note turned in to the Director of Athletics.

Off Campus Athletic Practice and Game Transportation Waiver

(Please fill out for entire school year and return to Director of Athletics prior to your first seasonal practice)

I understand that in order to provide more athletic opportunities to students enrolled at Saints Peter and Paul School there is a need to hold practices and athletic contests at places other than the school campus. Since practices and athletic contests may be held off campus with no school provided transportation, I give permission for my child to be transported to those off campus sites in the following ways. Please check all that may apply.

- School provided transportation (*primarily for away athletic contests*)
- I will personally drive my high school or middle school child to any off campus site
- My high school or middle school child has permission to ride with parents of another SSPP high school or middle school student on the athletic team in which they participate to any off campus site
- My child has a valid driver's license and may drive themselves to any off campus site (HIGH SCHOOL ONLY)
- My child has permission to ride with another member of the same athletic team as long as that individual has a valid driver's license (HIGH SCHOOL ONLY)

In consideration of the opportunity for my child, _____ (student name), to participate in the athletic program of Saints Peter and Paul School, and understanding the transportation policy and options defined above, I, _____ (parent/guardian), do hereby agree to release and save harmless Saints Peter and Paul Church and School, James Nash, Pastor, and any associated employees or volunteers from any liability, claims, demands, actions and causes of action arising out of or relating to any loss, damage, or injury sustained in connection with my child's participation and or transportation associated with this activity.

I hereby grant permission to the school's representative in charge to obtain medical care from a licensed physician, hospital, or medical clinic for my child in the event that I cannot be reached. In the event that hospitalization is deemed necessary by the school or its representative, I authorize the school to have my child transported to the nearest hospital. I understand and agree that if there is any question concerning the severity of an illness or injury, Saints Peter and Paul School policy dictates that an ambulance will be summoned to transport my child for proper medical evaluation and that ambulance and medical fees are the responsibility of the family of the injured student-athlete.
