ENGLISH

There is NO textbook for English. Students should have a physical copy of each of the following books.

**** Any text written in translation must be that edition of the book for each course. We select translations carefully and it is vital that all students have the same words on each page of their books.**

**** All vocabulary workbooks must be NEW. These will be used for two years (level X: grades 9-10 and level XII: grades 11-12).**

MATHEMATICS

ALL Math students are required to have one of the following calculators:
TI84 Plus, TI84 Plus Silver Edition, TI84 Plus C Silver Edition or TI84 CE, or TI-84 EVO

Each student is required to pay a course fee of \$60 during the first week of school to their Math teacher. Checks should be made payable to SSPP with “Math fee” written on the memo line. Students taking two math classes only need to pay one fee. Teachers will provide course materials and access to online resources.

If a student wishes to purchase a textbook as an additional, optional resource, it can be purchased directly through the publisher, Savvas Learning, at their customer care number at 1-800-848-9500. The following textbooks and ISBNs are available for all levels of Algebra 1, Algebra 2, Precalculus, and Probability & Statistics (Savvas is the least expensive option if purchasing a new textbook).
