

Parking Permit Application

August 2026

Dear Student Driver and Parent/Guardian:

Please adhere to the following guidelines when applying for a *Saints Peter & Paul School Parking Permit*.

Application Process:

Parking spaces have been designated in the parking lots along the side of the school. To request a parking permit,

1. **Seniors** who have fully completed permit applications will have the first opportunity at parking spaces **beginning on Tuesday, August 18, 2026** on a first come-first served basis. Students may request specific numbered spaces as available.
2. Beginning **Wednesday, August 19, 2026 juniors (and seniors)** will have the opportunity for the parking permits on a first come-first served basis. Students may request specific numbered spaces as they may be available.
3. Beginning **Monday, August 24, 2026, all other students** may apply for any remaining parking spaces.
4. The High School does not guarantee that all students will be able to obtain a parking permit. All other student drivers, or future student drivers, may need to make other provisions for transportation and parking. Students are encouraged to carpool.
5. **Starting Tuesday, September 8, 2026, students must have a parking permit to park on campus and be in their assigned parking space and visibly display their parking permit hanger.**

What Do You Have to Do?

In order to be considered for a Parking Permit, student drivers must submit the following:

1. Completed ***Student Vehicle Registration Form*** - Incomplete forms will be denied.
2. Student drivers must have license plate tag number, a copy of their license (**office copier will not be available**), parent signature, and \$75.00 to complete the application.
3. **Permit hangers will only be issued first to those students who have a valid State of Maryland driver's license and then to students who have a valid State of Maryland learner's permit.** *Incomplete applications will not be accepted.*
4. \$75.00 parking permit fee in cash or check (payable to ***SSPP***)

If any of the above is incomplete or missing, the application will be denied.

Driving and Parking Guidelines/Safety Reminders

1. Students may access the student parking lots by turning into the main church/school entrance and taking the immediate left for the access road around the athletic facilities. Please drive slowly and safely - there are a series of speed bumps!
2. Parking spaces have marked numbers that will match student parking hangers. Please park only in assigned spaces. Cars parked in non-assigned spaces are subject to disciplinary action and or towing.
3. Parking hangers must be displayed at all times while the vehicle is parked. Students may use the hanger with multiple vehicles, but may only park in their assigned parking space.
4. Parents and visitors are asked not to park in any numbered or reserved parking spaces during morning drop off or afternoon pickup.
5. **Any inappropriate conduct, including, but not limited to, loitering, changing of clothes, loud music, 'peeling wheels', will result in disciplinary action and loss of parking privilege. Student conduct on "public streets" is still reflective of the School.**

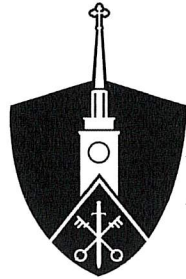

Please use extra caution when driving on and around the campus of Saints Peter & Paul Parish and School. Please be sensitive to our parishioners and neighbors who share this campus and the roadways. Any violation of the driving/parking rules of our School, or any discourteous or disrespectful behavior to fellow drivers, parishioners, or neighbors will result in disciplinary action and loss of parking privileges.

If you have any questions, please feel free to contact me.

Yours in Safe Driving,

Scott Wilson
